a. Introduction of Steve Johnson- New Director of College Safety & Security Services

III. Minutes Approval

-Minutes approved (Charlie Schaffner)

IV. Discussion of Monthly Incidents

Incidents classified by type from the dates of April 15th – May 20th are as follows:

- Accident (Slip and Fall) 2 total
- Accident: (Trip and Fall) 1 total
- Accident: (Motor Vehicle Other) 1 total
- Accident: (Other) 6 total

V. Report of Inspections

- Hazard Inspection of Financial Aid Office.

- Question: Charlie Schaffner in Re: CBI Building floor “crowning” trip hazard. Response: Harry Moore- there is a proposal put in to cut out and re-pour the floor due to an incorrect pour and vapor barrier issues. Suggestion: Jim Spiewak- can we put extra floor mats over there to cover the crowning?

- Question- in Re anything being done to one of the stairs at Main Mint being wobbly when you step on it. Response: Harry Moore- the underneath concrete can be refilled and rebuilt.

- 3 new AED's, one will be placed at the desk of the CBI building, one at the front desk of the Bonnell building & one at the 3rd floor of the West building mounted near the escalators.

VI. Old Business

- *The fire captains are still being worked on, we need 75. The bags have already been ordered.*
- *New Stair Chairs are in and have already been deployed.*
- *The new Alertus boxes are up and functioning.*
- *The AED boxes are now placed in the Winnett, West 3rd Floor, CBI & Bonnell buildings.*
 - ~Question: Harry Moore- is there some plan to communicate the location of the AED stations to everybody? Suggestion: we could incorporate it into the employee handbook, we could put it on the website & we could add it to the localized emergency evacuation floor plan diagrams.*

VII. New Business

- No new business

VIII. Adjournment at 12:35pm
