

The College Tuition Benefit® helps the students in your life afford college

Saving for college is one of the most important financial challenges families face today. As the cost of a college education continues to rise, students often take on overwhelming debt to achieve that goal. In fact, Americans now owe more than \$1.53 trillion in student loan debt.¹

The College Tuition Benefit is a rewards-based program offered to you at no cost from Independence Blue Cross. It provides a simple and effective way for you to save when sending a child or loved one to college.

How SAGE Scholars Tuition Rewards® Points work

- When you sign up for The College Tuition Benefit, you earn 2,000 Points each year and an additional 2,500 Points in year four. The longer you remain with your employer, the more Tuition Rewards Points you can accrue.
- One Tuition Rewards Point equals a \$1 minimum discount off of the full price of tuition at a SAGE Scholars college or university.²
- Each child you sponsor receives a one-time bonus of 500 Student Tuition Rewards Points.
- You can sponsor your children, grandchildren, nieces, nephews, stepchildren, and godchildren.³
