COMMUNITY COLLEGE OF PHILADELPHIA
AND
WILMINGTON UNIVERSITY**

Preface

Community College of Philadelphia (CCP) and Wilmington University (WilmU) enter into this Dual Admissions and Core-to-Core Transfer Agreement (Agreement) to facilitate the transfer of CCP students to WilmU. This Agreement applies to students who enter WilmU's traditional or online programs as full-time or part-time undergraduate students.

Dual Admissions

Under the Dual Admissions Transfer Agreement, CCP students will be guaranteed admission into WilmU with third year (junior) status and be eligible for the renewable transfer scholarship, at WilmU on the condition that they:

1. Submit an electronic Dual Admissions Intent form before completion of no more than 45 college level credits from all colleges/universities attended;
2. Graduate from CCP with an appropriate Associate in Arts (A.A.), Associate in Science (A.S.) or Associate in Applied Science (A.A.S.) Degree with a minimum cumulative GPA of 2.0. (Please see Appendix A for a list of degree/majors included in this Agreement);
3. Complete WilmU's admissions application the semester before the student plans to matriculate to WilmU and satisfy all other regular WilmU admissions requirements which include;
 - Submit Official Transcripts from all schools attended

 - B.S. in Nursing majors must submit a copy of RN License
4. Do not attend another institution of higher education between the time they graduate from CCP and enroll at WilmU;
5. Enroll at WilmU within one year of CCP graduation.

Students who have previously matriculated to WilmU are not eligible for Dual Admissions to WilmU, but are encouraged to apply as a transfer or readmissions student to WilmU.

There is no obligation on the part of the Dual Admissions CCP student if the student decides not to transfer to WilmU.

Once a student has submitted the electronic Dual Admissions Intent Form, he or she is strongly encouraged to meet with a WilmU Admissions Representative and/or a CCP Academic Advisor, Counselor or Program Advisor to develop a course taking strategy to maximize course transferability.

CCP graduates entering WilmU under the terms of this Agreement for both Dual Admissions and Core-to-Core go through the WilmU normal transfer admissions process and therefore must meet all applicable WilmU requirements and deadlines pertaining to application for admission, orientation and registration, and payment of tuition and fees. They will abide by the policies and procedures, and any revisions thereof that apply to all WilmU students.

Transfer and Academic Guidelines

1. Transfer credit will be awarded for courses with a grade of "C" or above for any and all courses transferred to WilmU. Grades of "D" will transfer to WilmU if the student has a conferred associate degree from CCP. WilmU will need official transcripts for evaluation of credit from all institutions attended, including military transcripts. Credit will be awarded for AP, CLEP, PLA, Experiential Learning, etc. with appropriate documentation. Developmental courses are not eligible for transfer.
2. The maximum number of semester hours that can transfer to WilmU is 90. Students enrolled in an undergraduate program of study at WilmU are required to complete a minimum of 30 upper level credits upon transfer to WilmU.
3. A full-time student admitted with third year (junior) status to WilmU will be able to complete a bachelor's degree at WilmU within four regular (fall/spring) semesters provided the student completes the appropriate associate degree at CCP and completes and appropriately sequences his/her remaining course work at WilmU.
4. Under this Agreement, WilmU guarantees that except for developmental course credits, all CCP credits from CCP programs of study listed in this Agreement will fulfill general education, elective or major requirements in the corresponding WilmU major that the CCP transfer student wishes to pursue.
5. Students who have pursued a CCP associate degree study other than those designated in Appendix A of this Agreement and who wish to transfer to WilmU will be guaranteed admission on an individual basis and their credits will be evaluated on a course-by-course basis. Depending on the program of choice at WilmU, not all transfer credits may be applied to major.

Core-to-Core

WilmU agrees to accept the General Education embedded in CCP's Associate in Arts (A.A.), Associate in Science (A.S.) and Associate in Applied Science (A.A.S.) degrees as meeting all the requirements of its undergraduate General Education requirements.

This Core-to-Core Agreement applies to all graduates of approved CCP A.A., A.S. and A.A.S. degrees and is not limited to students who participate in Dual Admissions. Core-to-Core transfer does not alter the requirements of the student's major field of study as identified in the WilmU catalog.

Financial and Scholarship Incentives

To encourage CCP graduates to transfer to WilmU, WilmU agrees to the following:

1. WilmU will waive the application fee for students who apply to WilmU pursuant to this Agreement.
2. All students will be provided with WilmU financial aid information and receive full consideration for WilmU financial aid upon matriculation at WilmU.
3. Financial Aid will be awarded to Dual Admissions students on the same basis as all WilmU students. They will have equal access to all state and federal financial aid programs.
4. WilmU will award a renewable academic scholarship to all CCP Dual Admissions students admitted to WilmU pursuant to the following:
 - CCP graduates will complete at least 12 credits of WilmU course-work with a minimum cumulative 2.5 GPA within 12-months of enrolling in first course.

A formal offer of admission will be sent upon receipt of the Undergraduate Admissions application (the semester before the students plan to matriculate). CCP students who complete a Dual Admissions Intent form will be governed by the WilmU degree requirements in effect at the time of admission to WilmU or during their term of enrollment.

Students from the Philadelphia area who apply to WilmU will be encouraged to attend and earn an appropriate associate degree from CCP so as to take advantage of the benefits of this Agreement. CCP will receive a list from WilmU of students sent this letter so that they can follow up with the students.
